### **About Our Medical Centre**

Eastbrooke Family Practice Randwick is located at 24 Perouse Road, Randwick. The Practice offers patients comprehensive care. The practice has a number female and a male GPs. Patients are able to visit doctors by appointment. The practice is open 5 days a week.

Eastbrooke GPs have an interest in Men's, Women's and Children's health in addition to chronic disease management and preventative care. The practice is also equipped to deal with work based injuries and return to work programs.

### **Appointments with your Doctor**

Please ring 9664-1333 for an appointment. Every effort will be made to accommodate your preferred time and GP. Appointments are usually made at 15-minute intervals. Emergencies will always be given priority and our reception staff will attempt to contact you if there is any unforeseen delay or your GP has been called away. Longer consultation times are available so please ask our receptionists if you require some extra time.

If you or a family member requires an interpreter we can organise this for you. Please let us know when you make an appointment.

## After Hours

If medical attention is required outside operating hours, a telephone call to the Sydney Medical Service on (02) 8724 6300 will put you in contact with our after-hours care that we have organised with Sydney Medical Service who is an accredited medical deputising service.

## Home Visits

Home visits are available for a regular patient whose condition is chronic and prevents them from attending the Medical Practice. Please discuss fees and billing arrangements with your doctor.

---

## **Telephone Access**

Doctors in the Medical Practice may be contacted during normal operating hours. If the doctor is with a patient, the reception staff will take a detailed message and forward this onto the doctor as soon as possible.

In an emergency, your call will always be put through to either the doctor or nurse.

## **Parking and Disabled Access**

There are two disabled parking spaces nearby our practice and ample off street car parking in the vicinity. We also have disabled ramp access for our patients with a disability.

## **Your Feedback, Quality and Improvement**

We have a feedback form and box located on the reception desk for patients to provide feedback. We take your feedback very seriously and will try to improve on any recommendations made from our patients.

## **Reminders System**

Our practice is committed to preventative care. Your doctor will seek your permission to be included on our reminder system. We may issue you with a reminder notice from time to time offering you preventive health services appropriate to your care. If you do not wish to be part of this system, please let your doctor or reception know.

## **Results**

If your doctor has requested any tests such as X-Rays or Pathology the doctor will read the report and then if he/she requires you to return to discuss these results the nurse or doctor will contact you and ask you to come back in for another appointment. If you do not hear from the nurse or doctor then you are not required to come back in and the results were acceptable and needed no action.
