About Our Medical Centre

At Eastbrooke Family Clinic Townsville, we believe in providing quality health and medical care to our patients and their families. Our professional and collegiate team of Doctors, Nursing and Administration staff aim to meet patient's health care needs to the highest of expectations.

Our mission is to provide the best, most comprehensive care to our patients without sacrificing convenience or the overall patient experience.

Appointments with your Doctor

Please ring (07) 4434 5000 for an appointment at either surgery. Longer consultations are available on request. Patients attending without a booking will be seen by a Doctor at the earliest available time. Urgent medical problems will always be dealt with promptly.

Fees and Billing arrangements

The GP'S at this practice mix bill consultations which will incur some out of pocket expenses at times. There will be no charge for Veterans Affairs cardholders as they are bulk billed, so please present your card on arrival for your visit. Pensioners and Health Care Card holders may be bulk billed at the discretion of the Doctor. Standard consultation is up to 15 minutes. Long consultation is over 20 minutes, Level C. Immunisations for children will be BULK BILLED in accordance with the current Australian Immunisation Schedule.

WEEKDAY - Consultation Charges

Your Feedback, Quality and Improvement

We have a feedback form and box located on the reception desk for patients to provide feedback. We take your feedback very seriously and will try to improve on any recommendations made from our patients.

Reminder System

Our practice is committed to preventative care. Your doctor will seek your permission to be included on our reminder system. We may issue you with a reminder notice from time to time offering you preventive health services appropriate to your care. If you do not wish to be part of this system, please let your doctor or reception know.

Results

If your doctor has requested any tests such as X-Rays or Pathology the doctor will read the report and then if he/she requires you to return to discuss these results the receptionist or doctor will contact you and ask you to come back in for another appointment. If you do not hear from the nurse or doctor then you are not required to come back in and the results were acceptable.

Medical Records and Privacy

Your medical record is a confidential document. It is the policy of this practice to maintain security of personal health information at all times and ensure this information is only available to authorized members of staff.

Eastbrooke Medical Centre's comply with the Privacy Act 1988 and the Australian Privacy Principles 2014 including the way we collect, store, use and disclose health information.

For more information, please ask for a copy of our Privacy Policy Statement at reception. Should you require access to your medical information held by this Centre, please discuss this with your Doctor or the Practice Manager (07) 4434 5000.

Your Rights

If you have a problem with any aspect of the service you receive at our medical practices we are keen to hear about it. We take your concerns, suggestions and complaints seriously. Please speak to the Practice Manager or your doctor to discuss your concerns. If you prefer to write to us please do so or use our suggestion box located in reception.

We believe that problems are best dealt within the Medical Practice. However, if you feel the need to discuss a matter outside of the Medical Practice, you may contact the Health Quality and Complaints Commission.

The contact details are: Health Quality and Complaints Commission
GPO Box 3089
BRISBANE QLD 4740
